CYCLAMEN

The quality of our giant strain Cyclamen seed, coming from two of the most noted specialists in Germany need not be dwelt upon at length here. Our numerous customers will readily verify our assertion when we say that the seed we offer is superior to many and second to none. Space will not permit us to insert all the testimonials we received, but the following two letters from well known growers will quite suffice:

June 14, 1924.

S. S. Skidelsky & Co., 53 Park Pl., New York, N. Y.

Gentlemen: For a number of years a large portion of the fifty thousand Cyclamen seed that we grow yearly have been purchased from S. S. Skidelsky & Company and our results have been very satisfactory. We have been very successful in the growing of Cyclamen and it has been a money making proposition for us, and we have always been satisfied with the seeds that we purchased from Skidelsky & Company.

Yours very truly,

THE GEO. WITTBOLD COMPANY,
LOUIS WITTBOLD, Pres.

July 1, 1924.

S. S. Skidelsky & Co., New York, N. Y.

Gentlemen: We have been using your Cyclamen seed for a number of years and have found them to be a very superior strain of seed. We have been entirely satisfied with them.

Yours truly,

JOY FLORAL CO., Per HAROLD M. JOY.
